Last Month Parent Meeting Notes

- Handbook is in it's last stage of completion and we should be getting ready to send it to the printers.
- There was only **about 10 parents at the last meeting** and I hope there will be more parents that get involved. I try go get all the information out, but if you don't attend, you can't give us your valuable inputs.
- The \$25 fee that we are asking for is going for the coaches first aid, CPR and their annual coaches dues. I thought everyone should know were the money is going.
- Swim Guides are being order . If you want one, please let one of the board members or the coaches know so we can get enough.

NEW NEWS

- New Swim Suits are now being ordered.
- Swim-A-Thon was a great success and we had a great turn out, 38 swimmers were out there giving it there all *way to go!!!*

- We are looking for a Meet Director any one that is interested please let someone on the **board know**.

Swim-A-Thon money must be in **by November 10th**, Monday at the Parents Meeting. The money raised above what was requested will go directly to your swimmer for there new swim gear.
